I've never dealt with them before since they were setup as autopay but try contacting Patty Marcinka: patty@officewaterpros.com. I found her email in my former boss' email.

Do you happen to have an email contact here? I've called their main line and have tried connecting to multiple departments and no one is picking up. I looked through Lena's emails and couldn't find a contact.

The cost is split when coded but CCA pays the full amount on the bill.

Just confirming that this cost is split or is CCA just paying?

Sorry, I thought I mentioned the vendor name. It should be under Office Water Pros.

Hi Jennifer,

The invoices are being billed to CCA so you should be able to find a copy of it in the vendor files in Lena's

area. Let me know if you need help in finding it.

Best,

Subject: CCA/DCBID Kitchen Water Filter System

Hi Joan!

Elizabeth mentioned to Leslie and then Leslie mentioned to me that currently, the water filter in our kitchen is split between CCA and DCBID. Do you have more information on the company so I can reach out and ask about our contract?

Thanks in advance!
